

Empowering the Next Generation of Talent in Risk Management and Insurance

What is MyPath?

MyPath is a nonprofit initiative created to attract talent and showcase the wide range of careers in risk management and insurance. It connects with students, recent graduates, career changers, and veterans who may not yet realize the opportunities available in this rewarding profession.

Our Purpose

- **Educate** future professionals about careers in risk management and insurance
- **Inspire** career exploration and workforce development through trusted resources
- **Support** organizations and partners in amplifying outreach to next-generation talent

Key Offerings

- [Career Exploration Hub](#) – breaks down diverse roles in risk management and insurance
- [Monthly Blogs](#) – spotlighting career tips, job insights, and voices from across the field
- [Quarterly Newsletter](#) – tailored to different stages of the job-seeking journey
- [Social Media Channels](#) – engaging content to inform and inspire career explorers

Talking Points for Professionals

- MyPath is not another job board, it's a **career awareness and education platform**
- It's a resource you can **share with students or career changers** to spark interest
- By amplifying MyPath, you help strengthen the future workforce of RMI

Visit InsureMyPath.org and follow us on social media to explore resources and share them with the next generation of professionals.
